8. SHIPPING INSURANCE - DECLARED VALUES (Additional Charges)

Every DOOR-TO-DOOR shipment falls under the General Terms of Service, is handled by the company within Greece and is automatically insured for loss or damage up to the amount of €50 in the case of documents and up to the amount of €100 in the case of parcels. In addition to the above amounts, shipping insurance is charged with the above premiums based on the value of the items, as shown by the relevant invoices or shipping notes.

9. VOLUMETRIC WEIGHT CHARGE

In case the volumetric weight of a shipment is greater than the actual one, then the charge is based on the volumetric weight, which is calculated in kilograms if we multiply the 3 dimensions of the package (measured in centimeters) and divide by 5000. The relationship applies: **Volumetric weight = Length x Height x Width / 5,000**

10. DOOR-TO-DOOR PREPAID ENVELOPE - for the whole country	Main Charge	included VAT 24%
Prepaid envelope fee for shipping an item, regardless of weight, provided it fits inside the envelope under safe tilt conditions.	**5,69**	**7,06**

NOTES:

1. The final charge of each shipment to a destination within Greece is charged with **24% VAT**. (17% in the zone of reduced traffic factor)
2. All shipments are subject to the General Terms of Domestic Courier Services.
3. The Company's network as well as the General Terms of Courier Services are published on the site.
